We are continuing to see good numbers on Tuesday at Social Bowls, with us consistently having 2 greens in play. Don't forget there is social bowls on Saturday's as well. With all that has been happening on weekends with BACT events, Tournaments and Club events it has been difficult to get the numbers on the green on Saturdays but as things begin to slow down it would be good see more members becoming involved in Saturday social bowls. Once again good luck to all our members who will be playing at the Australian Open. We look forward to seeing some great results. Please don't forget to pass on any results you have from tournaments or events so that they can be included in the newsletter.
